Albright College requires a TOEFL, IELTS, or Duolingo score to demonstrate English proficiency.

Degrees Offered

Albright College offers the Bachelor of Arts (BA) and Bachelor of Science (BS) degrees.

Curriculum

Albright's distinctive Co-Major program allows students to combine interests to create their own unique program. More than 60% of students choose Co-Majors.

Academic Services

Albright College provides a high level of support through their faculty Academic Advising system, Student Success Coaches, the Writing Center, and the Student Success Center, which offers peer tutoring in a wide range of subjects, academic skills workshops, and academic counseling. The Experiential Learning & Career Development Center (ELCDC) also offers a variety of services from hands-on academic opportunities to internships, study abroad, service learning, and undergraduate research.

Student Success

Albright's Pre-Professional Programs offer extraordinary support for students pursuing further study in their professional fields. Albright graduates have exceptional success rates when applying to professional schools, with 92% acceptance rate to dental and veterinary schools, and 90% acceptance rate for first time applicants to medical and law schools. This is more than double the national average of 41% admission to medical school.

Recognition

Albright College is nationally ranked and is among the top colleges in Pennsylvania for lifetime return on investment. It has been recognized by US News & World Report as a Top 25 National Liberal Arts School for Social Mobility and voted recently as a Best College for Career Development by Colleges of Distinction.

Special Features

Albright's ALPHA Program helps students who are undecided about a major to discover their future career path. By pairing students with specific faculty advisors, they work to explore courses, subjects, and careers to find the right fit. Albright's interdisciplinary, liberal arts based curriculum encourages students to combine majors steeped in real-world learning.

Campus Life

Albright offers a mix of traditional residence halls, as well as suite-style living for upperclassmen. More than 81% of students live on campus. They also offer 24 hour Public Safety, as well as the Gable Health & Wellness Center to offer patient-centered care in wellness, nutrition and mental health. There are more than 70 different clubs and organizations for students to join, including within their Center for the Arts!
